

## 2014 ANNUAL REPORT

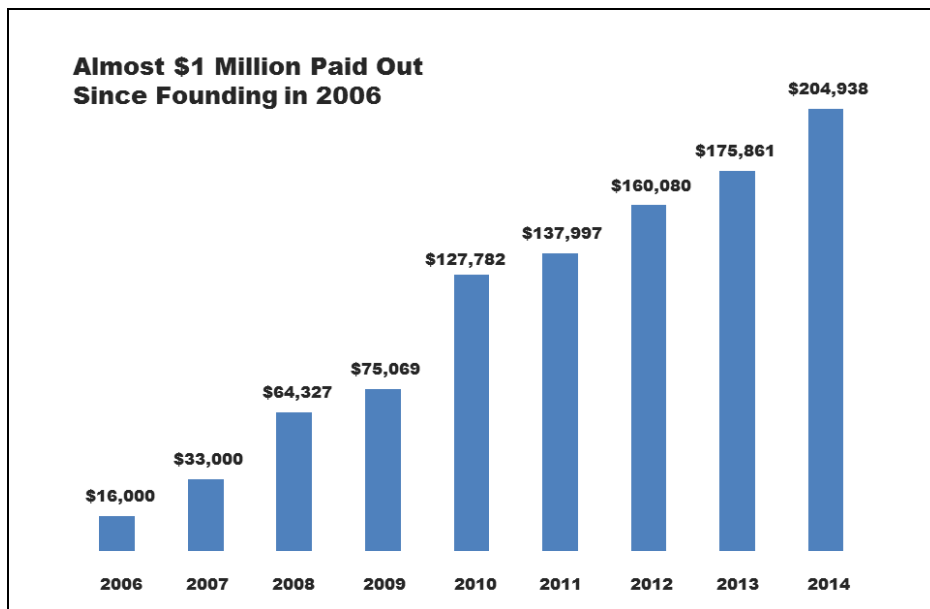

### A MESSAGE FROM DOREEN PERKS, FOUNDER

The year 2014 was a remarkable period of growth and development for the Bob Perks Fund. We have settled comfortably into our new structure. The roles of our new Board Chair and Executive Director have been performed beautifully by Lori Proper and Norma Keller, respectively. Lori's leadership has proven to be a wonderful guiding force as we continue to grow and mature as an organization. And Norma's dedication to expanding the Bob Perks Fund's reach is preparing us to support the growing needs of the organization and the patients we support.

The Bob Perks Fund is being challenged to continue to find new ways to raise more funds each and every year. A big accomplishment for us in 2014 was the expansion of personal and corporate sponsorships, as well as the addition of significant new support from local private and community foundations. These organizations are making a significant impact on our ability to reach as many cancer patients as possible. We appreciate each and every one of them, and we look forward to working with them to continue to promote our mission in 2015.

*Doreen Perks*

## HISTORY AND MISSION

The Bob Perks Cancer Assistance Fund was established in 2006 in memory of Bob Perks, a State College native, who passed away in 2005 after a long battle with melanoma. A four-year Penn State baseball player and a founding member of the local Coaches vs Cancer® of Penn State, Bob died at age 42, leaving behind his wife Doreen and two very young children. To fulfill Bob's commitment to those battling cancer, Doreen and Bob's family, friends, and colleagues established the Bob Perks Cancer Assistance Fund. Those who receive this support do not have the financial resources to pay for many of their most basic living expenses including rent, utilities, food, car insurance, and gas for cancer treatment travel.

A 2014 Huntingdon County recipient said "Never in a million years did I think I would be in a situation where I was fighting for my life but here it is. The unexpected costs of fighting cancer are astronomical. My fiancé tells me that I have one job – fight for my life and survive this. As the bills pile up, this is hard to do but with your help, my stress level is much lower. It is with deepest regard that I thank you for your help in easing my financial burden." Many local families fighting cancer are faced with the decision to heat their homes or put food on their tables. The emotional pressure of unpaid bills and the tough decisions about how to care for themselves and their families is overwhelming and often stands in the way of focusing on their healthcare. This is where the Bob Perks Fund steps in, working to reduce the financial burden and stress faced by cancer patients so they can focus on their treatment and recovery.

In the past nine years, the Bob Perks Fund's history of growth and development to fulfill its mission is truly remarkable. With over \$204,000 distributed in 2014, up from \$16,000 in 2006, this organization has had a major impact in changing the lives of cancer patients in Blair, Centre, Clearfield, and Huntingdon Counties. All of the funds distributed are donated by individuals, families, community and faith-based organizations, businesses, local foundations, Bob Perks Fund special events, and other events held on our behalf. By early 2015, the Bob Perks Fund will have distributed ONE MILLION DOLLARS since its inception in 2006 and we look forward to celebrating this major milestone at a "Thanks a Million" gala at Toftrees in September.

## SERVICE, GROWTH AND DEVELOPMENT IN 2014

In 2014, the Bob Perks Fund provided financial assistance to pay eligible expenses submitted through 267 approved applications. All applicants funded by the Bob Perks Fund are referred by members of their cancer treatment team. The distribution of approved applications by residence in the four-county area served by the Bob Perks Fund included:

80 Blair County	89 Clearfield County
64 Centre County	34 Huntingdon County

In 2014, cancer patient applications primarily originated from UPMC Altoona (Blair), Mount Nittany Medical Center and Cancer Care Partnership (Centre), Geisinger Health System (Centre), Nathaniel Yingling Cancer Center (Clearfield), and Home Nursing Agency (Huntingdon). The Bob Perks Fund could not provide assistance to cancer patients without successful, collaborative relationships with our referral sources. They are truly our partners in service to cancer patients and we thank them for their efforts that contribute to our success.

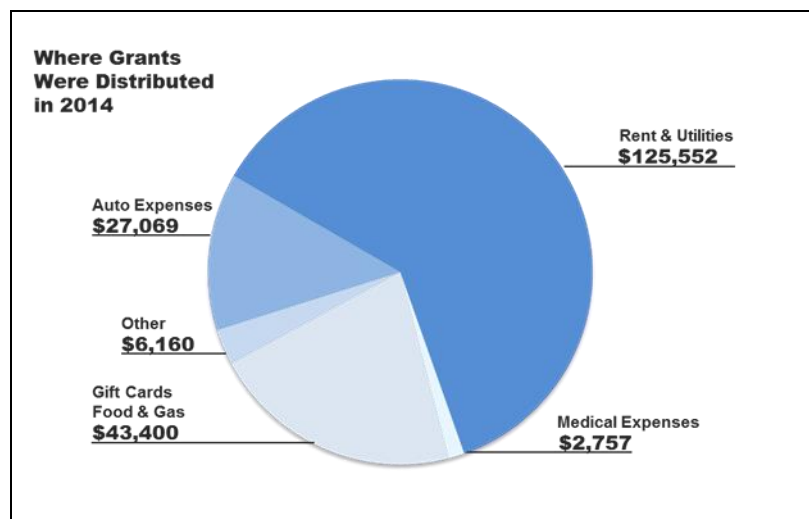

The importance of the Bob Perks Fund in the lives of local cancer patients is reflected in testimonials provided by healthcare professionals:

"The assistance our patients receive from the Bob Perks Cancer Assistance Fund is essential in helping people to overcome financial barriers during cancer treatment. Without the Bob Perks Fund, there would be a gap in our ability to help patients who need financial assistance. Situations do arise where patients need prescriptions or durable medical

equipment right away and they cannot afford the co-pay. When this happens, we turn to Bob Perks Fund and they are always responsive when we need them. In this way, it is truly a lifesaving assistance program. I do not know what we or our patients would do without the Bob Perks Cancer Fund." – Kristin Sides, BS, Patient Navigator, Mount Nittany Medical Center

"The Cancer Program at Mount Nittany is a proud partner and beneficiary of the Bob Perks Fund. Thanks to their efforts, people facing cancer in our community have a resource that is unheard of in other places. Doreen's vision to have funds available to help support patients experiencing financial hardship as a result of their diagnosis has made it possible for us to mitigate some of the barriers that cancer presents. I have worked with this remarkable organization since its inception, and serving on their Allocations Committee, I can speak firsthand to their good work. I am a proud supporter of this wonderful group." – Aileen Galley, Director, Penn State Cancer Institute

Support for applicants falls into four major categories: rent and utilities, food and gas gift cards, automotive, and medical expenses. The distribution of over \$204,000 to meet these needs was a \$29,000 increase over funds distributed in 2013. While we funded 100% of the needs presented in the 267 applications, our fundraising fell short of meeting this increased need. As a result, we were forced to reduce the 2015 maximum per application from \$1,000 to \$750.

As we move ahead in 2015, the Bob Perks Fund is working to identify additional sources of funding to meet 100% of the eligible needs presented through our application process and to work toward restoring the maximum per application to \$1,000.

### **ACCOMPLISHMENTS & NEW FUNDING OPPORTUNITIES**

With the establishment of the first Executive Director position in 2013, the Bob Perks Fund was able to move forward to increase awareness of Bob Perks Fund services and establish new funding opportunities in Blair, Centre, Clearfield, and Huntingdon Counties.

#### Blair County

In the four-county area served, we experienced the greatest increase in allocations in Blair County with \$63,000 allocated in 2014, up from \$33,000 in 2013. Altoona-based Sheetz, Inc., a major contributor and critical source of support for applicants served by the Bob Perks Fund, donated more than \$15,000 in complementary gas cards for distribution to local cancer patients. The 2nd annual "Kicks@Cancer," event hosted by Charla Brumbaugh's Community Connections once again supported the Bob Perks Fund and Albemarle Corporation of Tyrone served as a first-time \$1,000 sponsor of our "Tailgate Party." In addition, the Bob Perks Fund received a generous grant from the UPMC

Altoona Foundation and established a collaborative relationship with the Tyrone-based Breast Cancer and Women's Health Institute of Central PA. The Bob Perks Fund thanks Sherry DelGrosso and Lannette Johnston for helping us move ahead in these areas.

### Clearfield County

The Bob Perks Fund was fortunate to be the beneficiary of two Subaru "Share the Love" events held by Wilkinson Subaru in Curwensville and Johnson Subaru in DuBois with proceeds totaling \$12,000. Jennifer Lanich held a successful "Mikey's Old School Ride" rally to honor her husband Mike, a Bob Perks Fund recipient, who passed away in 2013. In addition, we received a first-time grant of \$ 1,000 from the Clearfield County Charitable Foundation to purchase food gift cards for Clearfield County recipients of Bob Perks Fund support.

### Centre County

We are grateful for the unique partnership the Bob Perks Fund has with Coaches vs Cancer® of Penn State and the American Cancer Society in Centre County. We received over \$51,000 for 2014 and are thankful for the generous CVC sponsors, donors, and volunteers that made this possible.

A very resourceful Jamie Stocker created a new event to support the Bob Perks Fund and local cancer patients. "Wine and Conversation," supported by Stocker Chevrolet and the Gene and Kathy Stocker Family, was held at Celebration Hall and raised more than \$10,000. The Ken Tressler Family held its second, successful Pig Roast in Snow Shoe, raising \$3,500. Supelco employees held a 5-K Run and our good friends at Forever Broadcasting made it possible for the Bob Perks Fund to receive proceeds from the Bryce Jordan Center's Trans-Siberian Orchestra event. And we especially appreciate the generosity of Rex Energy Corporation, our MAJOR event sponsor of 2014.

Foundation support continued to be a mainstay of Bob Perks Fund contributions, with continuing grants from the Mount Nittany Medical Center Foundation and the Geisinger Foundation, and new support from the Ferguson Foundation, the Bellefonte Elks Lodge #1094 David B. Garver Fund, and the Bellefonte Masonic Lodge #268 Carl Fisher Memorial Trust. Centre Gives, a 36-hour online fund-raising event held by the Centre Foundation, was once again a major source of support for the Bob Perks Fund, with 60 donors contributing \$18,840. The Bob Perks Funds extends its thanks to Blake and Linda Gall who "double matched" the Centre Foundation's proportional matching funds, bringing the grand total to almost \$27,000.

### Huntingdon County

Early in 2014, the Bob Perks Fund was accepted as an Affiliate Member of Huntingdon County United Way, making it possible to be included in their 2014 campaign and receive designated donations. Through United Way, we enjoyed opportunities to make presentations at the Huntingdon County Rotary Club, JC Blair Hospital, ACCO, and other local businesses. Media coverage in the Huntingdon Daily News led to the Bob Perks Fund receiving a \$1,000 "Tailgate Party" sponsorship from US Silica in Mapleton Depot.

In other activities, the Huntingdon High School Girls Soccer Team raised \$1,840 through their "Kick Out Cancer" event and the "Gutsy Girls" held an event at Mimi's Restaurant to promote awareness of the Bob Perks Fund. We especially want to thank Ms. Rickey Himes for her promotion of Bob Perks Fund services and for her role in raising funds to help Huntingdon County cancer patients.

## **FUNDRAISING AND SPECIAL EVENTS**

Calendar 2014 was a very successful year for Bob Perks Fund special events, including the "Rock the 80's" Concert, held at The State Theatre in March; the "Summer Soiree," held at the home of Marc and Madeline Hertzberg in July; the "Tailgate Party," held at Mountain View Country Club in November; and a Holiday Campaign in December. Sponsors for

these events and the volunteers who made them possible are included in this report and we thank Assistant Director Jen Finkle for her enthusiastic and effective administration of these events.

Major objectives for the Bob Perks Fund in 2014 included increasing awareness of our services to local cancer patients, securing new donors, and connecting with new fundraising opportunities. Because 75% of the funds distributed to cancer patients are generated in Centre County, new outreach efforts were made Blair, Clearfield, and Huntingdon Counties, using print and social media.

We are thankful to those who supported us in accomplishing this objective: Rowland Creative, Barash Media, the Centre County Gazette, Centre Daily Times, Huntingdon Daily News, Tyrone Daily Herald, The Progress in Clearfield County, Forever Broadcasting, and other media resources that promoted our work. In 2015, renewed efforts will be made to secure new sources of funding from the four-county area we serve. Since its inception in 2006, the Bob Perks Fund has never denied funding to an eligible applicant and we are working to maintain this successful history of assistance to local cancer patients for years to come.

**“WE COULDN’T DO IT WITHOUT YOU”**

The success of the Bob Perks Cancer Assistance Fund in providing support to local cancer patients is largely dependent upon the generosity, creativity, hard work, and good will of many dedicated supporters. We express our great thanks to the Bob Perks Fund volunteers, contributors, and sponsors listed below and to the many others who provide assistance through Coaches vs Cancer® of Penn State and other events which support the Bob Perks Fund.

## BOB PERKS FUND ENDOWMENT

Since 2007, the Bob Perks Fund has maintained an endowment fund at the Centre Foundation and is grateful for the knowledgeable stewardship of the professionals who manage this fund. To support the long-term sustainability of the Bob Perks Fund, contributions can be made by contacting the Centre Foundation, State College, Pennsylvania. In 2014, we appreciated gifts to the Bob Perks Endowment made by James and Julia Glover and the Milesburg Lions Club.

## BOARD OF DIRECTORS

Doreen Perks, Founder	Patrick Bisbey
Lori Proper, Chair	Blake Gall
Linda Gall, Vice Chair	Amy Gravine
Elana Pyle, Secretary	Robin Heim
Gavin Fernsler, Treasurer	David Hellyer
Andrew Zimmerman	

In 2014, the Board of Directors continued its focus on growth and development with the completion of a comprehensive, three-year strategic plan. Strategies were developed to increase awareness and funding opportunities in Blair, Clearfield, and Huntingdon Counties. Examples of these strategies are summarized within this report's notes on Blair, Centre, Clearfield, and Huntingdon Counties.

Looking ahead to 2015, the board will welcome Gregory T. Hayes of Kish Bank and Cristin Long of McQuaide Blasko Attorneys at Law. And a special event is planned for September to celebrate the distribution of ONE MILLION DOLLARS to local cancer patients in September.

## FISCAL ACCOUNTABILITY

The Bob Perks Cancer Assistance Fund is a tax-exempt 501(c)3 organization, EIN number 20-422090 and is registered with the Pennsylvania Bureau of Charitable Organizations. Payroll is managed by U.S. Accounting of State College, Pennsylvania and auditing is conducted by both U.S. Accounting and SF & Company of State College, Pennsylvania.
